

Hoosier Taekwondo, LLC

Dear Influential Community Member,

First, I would like to thank you in advance for taking time out of your busy schedule to read this. Our mission as martial artists and educators is the use of Taekwondo as aids for self development, helping our students bring out the very best in themselves. We as martial artists are very blessed and aware of the role that the art plays in a person's life. The guidance, positive influence and strong sense of morals, along with traditional values, have now become more than just words; they are a way of life. Our mission as an organization is to become the conduit through which all of the above will be possible. Our main endeavor is to promote an environment of learning and self improvement, so that students may come and strive for excellence and the achievement of their ultimate goal, the Black Belt.

As an organization, not only do we pride ourselves on the above mentioned, but we also work diligently to broaden our student's horizon in the areas of philanthropy and community service. We are proud contributors to such charitable organizations like the Elkhart Missions, American Cancer Society, Red Cross and Middlebury's very own Boys & Girls Club to name a few.

On August 27th to September 3rd, we will be hosting "**The Lance Corporal Zac TenBrook Memorial Food Drive**" at our facility at 106 Wayne St., west of Varns & Hoover. Zac's mother, Kim TenBrook attends our school in the adult program. Zac always wanted to be a Marine and when the opportunity arose, he jumped at it. While in pre-deployment training for a tour in Afghanistan, Zac lost his life. After hearing his life story from his mother, Kim, I decided the food drive should be the way we celebrate the life of a fallen hero, brother, son and fellow member of our community for years to come.

To promote the Food Drive, we are in contact with one of the major radio and TV stations in the area to come and do a live broadcast on September 3rd. August 27, 2011, we have our annual Taekwondo Championships held at Northridge High School. In attendance, will be over 75 competitors and their families, schools from Elkhart, Goshen, Ft. Wayne and Michigan. What we are asking of you is to simply contribute by getting your employees involved. If they can bring a few items that would be good; bring 5 or more that would be great. If you are willing to write a check for a specific amount, please write it to **The Food Bank of Northern Indiana**. (Memo: Hoosier Taekwondo/Zac TenBrook). As for me, I will be spending 24 hours on the roof of my building until we can fill the truck with food.

I want to thank you in advance for your contribution to The Lance Corporal Zac TenBrook Memorial Food Drive. The effort of one man is good, but the efforts of a 100 are much greater.

Respectfully Your,

Master Iva "Nick" Nicholas
